Novartis India Leadership Announcement

Dear Associates,

Jawed Zia, Country President & Head Pharmaceuticals and Vice Chairman & Managing Director of Novartis India Limited, has decided to pursue opportunities outside of Novartis. We are in the process of appointing a successor who will be announced soon. Until then, Jawed will continue in his role.

Jawed has had a long career with Novartis Group in various geographies around the world. We thank him for his leadership and services to our company over the years.

Best regards,

Jesus Acebillo
