Dear Vinay,

Thank you for your kind words. You will have always a special place in my career. As I was announcing my departure yesterday to OpEx team, i was mentioning the unique journey we have been able to achieve in Mumbai fist and then Hyderabad within oncology BDM. And i was thinking of you among a few others.

This was always a great pleasure and honor to work with you.

I am keeping with me your thesis!

By best regards to your family.

Take care and yes, keep in touch

Thank you,
Kind regards,

Michael Murawsky
