# Organizational announcement

## Leadership movements in Novartis Hyderabad

Dear Colleagues,

Hyderabad continues to unleash its potential, and the role enhancements of our leaders are a true testimony to this.

Here are the leaders who have assumed higher responsibilities in the last six months. Please join us in congratulating them.

### Novartis Business Services (NBS)

**Sushmita Mahapatra** has been promoted in her role as *Group Head in the Commercial Services Practice (CSP) in Product Lifecycle Services (PLS)*. In this role, Sushmita and her team will be responsible for providing Forecasting and Competitive Intelligence services to customers across all Novartis divisions.

**Subhadra Ummeda** has been promoted in her role as *Group Head in PLS CSP*. In this role, Subhadra and her team will be responsible for providing business analytics services to multiple customers across many of our Novartis divisions.

**Arijit Ghosh** has been promoted in his role as *Group Head in PLS CSP*. In this role, Arijit and team will be responsible for providing advanced analytics and data science support to customers across all our divisions.

**Aakanksha Lall** has been promoted to the role of *Head, Brand Insights- Immunology, Hepatology and Dermatology*. In her new role, she will be responsible for leading the franchise Insights team and helping them deliver insights that can support global strategy and performance measurement.

**Srinivas Thakkal** has been appointed *Service Operations Lead, Application Management Services (AMS) TechOps and Quality IT (TOQ IT)*, reporting to Kay Krause. In this role he will be part of the AMS Leadership Team. In addition to this, Srinivas will be part of the TOQ IT Leadership Team, led by Christian Koenig.

## Global Drug Development (GDD)

The following appointments have been made in **Data Operations**

Leader	New role	Group/Cluster
<b>Arun Kumar Patnaik</b>	Director, Data Management	Solid Tumors, Respiratory and Established Medicine
<b>Srinivas Hiriyanna</b>	Director, Data Management	Hematology and Cardio-Metabolic
<b>Jayam Kiran Babu</b>	Director, Statistical Programming	Solid Tumors, Respiratory and Established Medicine
<b>Sreesha Nair</b>	Director, Data Operations Development Unit	Respiratory and Established Medicine
<b>Srinarayani Iyer</b>	Director, Data Operations Development Unit	Hematology
<b>Vinay Mahajan</b>	Director, Data Operations Development Unit	Global Medical Affairs Pharma

We wish each of these leaders success in their new roles, and we are excited about their contributions to making our mission a reality.

Best regards,

**Human Resources**

Novartis Hyderabad
